## The Four-Way-Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

**First:** The development of acquaintance as an opportunity of service;

**Second:** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and dignifying by each Rotarian of this occupation as an opportunity to serve society;

**Third:** The application of the ideal of service by every Rotarian to his personal, business, and community life;

**Fourth:** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men and women united in the ideal of service.

## District Seminar

The District Seminar will focus on the Rotary Foundation, Membership and Literacy. Plans have been set for the District Seminar to be held on Saturday, August 15, 2009, in Vidalia, GA, at the Southeastern Technical College, 3001 E 1st Street, Vidalia. This will be an opportunity for club leaders and club members to meet jointly and learn specific tools and programs from the talented presenters which will help us achieve great success for the Rotary year of 2009 - 2010.

The District Seminar begins at 9:30 a.m. with a break for lunch at 12:00 noon. We will convene at 1:00 p.m. to complete the seminar by 3:00 p.m.

We will carpool and all board members, committee chairs, and club members – especially new members are encouraged to attend.

## Rotary International

My fellow Rotarians:  
It is traditional in Rotary that each Rotary International president is given the opportunity every month to write a message to all Rotarians in the pages of this magazine. I am grateful for this tradition, which gives me the opportunity to communicate with every one of you directly, for it is my firm belief that The Future of Rotary Is in Your Hands.

It is a great honor to have been chosen as the first RI president from Scotland in the 104 years of this organization, and to have the privilege of serving the Rotarians of the world. Because there is no RI – no Board of Directors or president, no world headquarters or Rotary convention – without the ordinary weekly meeting of Rotarians in our own home clubs.

In Rotary, everything we are, and everything we aspire to become, lies in the hands of Rotarians in their clubs. If our clubs are congenial and our meetings well run, if our service is carefully planned and competently carried out, if our members are qualified, honest, and respected in their vocations and communities, then all of Rotary will thrive. This is why I say The Future of Rotary Is in Your Hands. Water, health and hunger, and literacy will be our emphases in the year ahead. In this Rotary year, I ask Rotarians everywhere to continue to learn from our experiences and to build upon our successes. I ask you all to continue to work for the health and well-being of not only children but their families and people everywhere. I ask you particularly to focus on water and sanitation, as the scarcity of clean water is an increasingly serious issue in many parts of the world.

In Scotland, we have a saying that I'm fond of quoting: "We must look beyond our own parish

pump." It means that we must look beyond our own home and our own community. We must be aware that ours is only one community, of one country, of the many communities and countries in this world.

In every one of those communities, there is work to be done. As Rotarians, we will not stand idly by. As Rotarians, we will accept our responsibility. We can, and we must. For we know that Rotary is only as great as its clubs – and our clubs are only as great as the members within them.

The Future of Rotary Is in Your Hands.

John Kenny

President, Rotary International
