The Four-Way-Test

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIP?
4. Will it be BENEFICIAL to all concerned?

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First: The development of acquaintance as an opportunity of service;

Second: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and dignifying by each Rotarian of this occupation as an opportunity to serve society;

Third: The application of the ideal of service by every Rotarian to his personal, business, and community life;

Fourth: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men and women united in the ideal of service.

Announcements

Group Study Exchange Team:

Glenn Bedell announced that the Group Study Exchange Team from India will be in Augusta on April 12 – 14. Host families are needed to accommodate team members. If you are interested or need more information, please contact Glenn.

Construction Project

Dear Fellow Rotarians,
It's time to add one more opportunity to serve to the mix. Our annual construction project will be in partnership with Habitat for Humanity on March 27th from 8-12. We'll need 10 club members/spouses to volunteer to make it a success. They will require a signed waiver form be completed and turned in when reporting for work. You can find this in an email that was sent to all club members on February 23. I urge you to consider this fun time of service and fellowship.

The project is a new home H-65 in Barton Village at 2409 Dublin Dr., Augusta, GA 30906 in the Barton Chapel sub division. The limit of ten volunteers is made as we have a limited number of supervisors that day.

The project supervisor will guide your work and safety. Materials, bandages, tools (bring yours if you wish) and water are provided. Work clothing, gloves and sunscreen are suggested. New volunteers are asked to sign and submit a copy of the attached Habitat Release & Waiver Form to the project supervisor on arrival at the site.

If you have any questions please let me know.
Best regards,

David Bullington
